Sarasota's Premier Downtown Rental Retirement Residence

Alderman Oaks is...

a unique retirement residence located in downtown Sarasota. Our location allows our active, independent residents easy access to the many community activities, clubs, and churches, helping them to stay vital and involved.

So, what makes Alderman Oaks "unique?" Well, many other retirement communities boast expansive campuses, but most of them keep residents away from the hustle and bustle of our exciting town. While Alderman Oaks is located in a quiet residential neighborhood, our campus is downtown Sarasota! We take pride in providing an environment where our residents can stay active and involved in our special city and all it has to offer. That is why we are so proud of our wellness programs and our extremely accommodating transportation. We truly believe that our residents benefit from staying close to "real life" and staying as active as they choose. Additionally, families like the fact that their loved ones live in such a central, accessible location. Alderman Oaks caters to those who want to enjoy the activities in downtown Sarasota and yet we also have a full schedule of activities and entertainment right in our building. You can be as active as you want to be!

Alderman Oaks is not part of a corporate "chain" of retirement residences. We are a midsized residence with about 60 apartments-not so big that no one knows your name, but not so small as to be confining. Our local owner and administrator is at Alderman Oaks everyday and available for any questions or concerns. We strive to provide personalized, caring service to each of our residents while at the same time respecting their independence, privacy, and dignity.

Currently Alderman Oaks is only accepting independent residents who can really enjoy all we have to offer. Of course, assistance is available for those residents at a later time if needed.

You'll be surprised how affordable it can be to live in luxury in downtown Sarasota! We are now offering even more affordable rates and plans for our most independent residents. Give us a call today for more information or to schedule a tour and complementary meal!
