**Program Presenter
John McCarthy
Vice President for Regional History**

**MARIE SELBY
BOTANICAL
GARDENS**

The *Gardens of the Sarasota Region* program explores ornamental gardens throughout our region's history, using photographs and rare artwork.

Local garden designers and nurseries are also featured, in addition to an exploration of how gardens were promoted to attract visitors and residents to Sarasota from the 1880s to the 1960's.

The program is profusely illustrated with colorful historic images. John is a frequent presenter of local history lectures and tours.
